HOW TO CITE RULES AND RSMO

RULES

The rules are codified in the *Code of State Regulations* in this system–

Title	CSR	Division	Chapter	Rule
3	<i>Code of</i>	10-	4	115
Department	<i>State</i>	Agency	General area	Specific area
	<i>Regulations</i>	division	regulated	regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and Register on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

The Secretary of State shall publish all executive orders beginning January 1, 2003, pursuant to section 536.035.2, RSMo.

WHEREAS, in consultation with community leaders, public safety officials, and emergency preparedness officials, I have determined that the following actions are necessary and appropriate to provide for the safety and welfare of Missouri's citizens, visitors, private property, and businesses.

NOW, THEREFORE, I, MIKE KEHOE, GOVERNOR OF THE STATE OF MISSOURI, by virtue of the authority vested in me by the Constitution and the Laws of the State of Missouri, including Sections 44.010 through 44.130, RSMo, do hereby declare that a State of Emergency exists in the State of Missouri due to civil unrest.

ATTEST:

MIKE KEHOE
GOVERNOR

DENNY HOSKINS
SECRETARY OF STATE

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close-of-comments date will be used as the beginning day in the ninety- (90-) day count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice, file a new notice of proposed rulemaking, and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

Boldface text indicates new matter.

[Bracketed text indicates matter being deleted.]

SUMMARY OF COMMENTS: No comments were received.

TITLE 11 – DEPARTMENT OF PUBLIC SAFETY
Division 45 – Missouri Gaming Commission
Chapter 20 – Sports Wagering

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission under section 39(g) of Article III, *Missouri Constitution*, the commission adopts a rule as follows:

11 CSR 45-20.020 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on March 17, 2025 (50 MoReg 421–423). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended April 16, 2025, and the commission held a public hearing on the proposed rule on April 17, 2025. There were four (4) attendees at the public hearing, but no comments were made. The commission received two (2) written comments on the proposed rule. Commission staff made four (4) comments on the proposed rule. The Joint Committee on Administrative Rules made three (3) comments on the proposed rule.

COMMENT #1: Craig Williams, a member of the general public, suggested that the word “official” be removed throughout this proposed rule. He stated licensees should be allowed under these regulations to acquire data independently of the official league data provider. He suggested adding a paragraph that would require either the data provider or the licensee to demonstrate before the commission the viability of the independent data source and management. He goes on to say the independent data source should be able to meet the same performance standards as the official data.

RESPONSE: Article III, Section 39(g), of the *Missouri Constitution* provides for a sports governing body to notify the commission of its intent to supply official league data. If the sports governing body notifies the commission of its intent to supply official league data, then the sports wagering operators must use its data for all tier two wagers. If the sports governing body does not notify the commission of its intent to use official league data then the sports wagering operators may use any licensed supplier of data. No changes have been made to the rule as a result of this comment.

COMMENT #2: Subsection (5)(F)–Staff suggested removal of this subsection, as it is not clear which job positions this would include.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised to remove this subsection.

COMMENT #3: Section (8)–The Joint Committee on Administrative Rules suggested revising this section to limit the scope of the individuals required to be licensed.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #4: Subsection (10)(L)–Staff suggested this subsection be revised to qualify who might be required to obtain an Occupational Level I-SW or Level I-SWC license.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #5: Subsection (11)(B)–Cory Fox, with FanDuel, recommended removing this subsection in its entirety. Alternatively, he recommended the commission align this requirement with the requirements in section (10) by including the qualifier that such individual be the “highest ranking” employee at that respective position.

RESPONSE: The commission believes these individuals need to be licensed to ensure the integrity of sports wagering in Missouri. The alternative language suggested is unclear in that it does not specifically address job positions but instead lists individual duties which may apply to multiple job

positions. No changes have been made to the rule as a result of this comment.

COMMENT #6: Paragraph (11)(B)5.—The Joint Committee on Administrative Rules suggested revising this paragraph to limit the scope of the individuals required to be licensed.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #7: Section (15)—Staff suggested this section be revised to clarify which sports wagering-related duties that a Retail licensee may contract with a Class B licensee to provide on its behalf.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #8: Section (19)—The Joint Committee on Administrative Rules suggested to remove this section as it was too subjective and could be considered arbitrary and capricious.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and removed this section in its entirety. In response to this change, section (20) was renumbered to (19).

COMMENT #9: Section (20)—Staff suggested to remove “revoke” and “suspend” from this section and replace with “discipline” to address all forms of discipline for various licenses. The types of discipline pertaining to each type of license is addressed in 11 CSR 45-20.150.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

11 CSR 45-20.020 Sports Wagering Licenses

(5) An SW Supplier license shall be required for any individual or entity that—

(D) Provides gaming-related services or software for player geolocation identification, integrity monitoring, odds and risk management, managed trading services, an online sports wagering platform, or player account management; or

(E) Provides other categories of gaming-related goods, data, or services to a Retail or Mobile licensee if the commission determines that the goods, data, or services impact the integrity or security of the sports wagering operation.

(8) An Occupational Level I-SW license is a license granted to a person other than a key person who has management control or decision-making authority over the sports wagering operation or sports wagering supplier operation, or other individuals identified by the commission in similar or equivalent positions.

(10) At a minimum, an Occupational Level I-SW or Occupational Level I-SWC license is required for the following job positions:

(L) Any other person in a similar or equivalent position as directed by the commission.

(11) An Occupational Level II-SW license is a license granted by the commission to a person who is—

(B) Assigned to a job position—

1. With a Retail licensee including sportsbook employees, wagering kiosk technicians, ticket writers, point of sale terminal technicians, audit, accounting, management information systems, count, security, surveillance, and compliance;

2. Where the employee’s duties include access to a designated nonpublic gaming area that has sports wagering and performs duties in furtherance of or associated with the operation of sports wagering;

3. With a Mobile licensee that performs duties in furtherance of or associated with the operation of sports wagering, including but not limited to anyone who has write access to the live sports wagering system, has access to view patrons’ banking or credit card information, or can make monetary changes to patrons’ accounts;

4. With an SW Supplier licensee that would require the employee to have in-person or remote access to the wagering kiosks, point of sale terminals, or the sportsbook area to perform his or her function or duties if such function or duties involve installation, servicing, maintenance, repair, or accessing secured or locked components of any sports wagering equipment or sports wagering systems, or involve verification or payment of patron awards; and

5. With similar or equivalent job duties to those described in this subsection as directed by the commission.

(15) Retail licensees operating on behalf of a Class B licensee may contract with the Class B licensee to use the Class B licensee’s employees to perform duties related to sports wagering; however, those employees shall obtain an Occupational Level I-SWC or Level II-SWC license prior to performing any sports wagering duties. The only sports wagering duties that can be contracted are duties related to security, surveillance, environmental services, and facilities.

(19) The commission may issue, deny, or discipline any license. Licensees and applicants may request a hearing pursuant to 11 CSR 45-13 regarding the commission’s decision to deny or discipline a license.

TITLE 11 – DEPARTMENT OF PUBLIC SAFETY Division 45 – Missouri Gaming Commission Chapter 20 – Sports Wagering

11 CSR 45-20.030 is adopted.

There were four (4) attendees at the public hearing, but no comments were made. The commission received no written comments on the proposed rule. Commission staff made two (2) comments on the proposed rule. The Joint Committee on Administrative Rules made one (1) comment on the proposed rule.

COMMENT #1: Subsection (2)(B)—Staff suggested revising “An identification” to “The identity” for grammatical clarity.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #2: Section (3)—Staff suggested revising the language because a rule cannot supplant a statute and to clarify the authority of the commission to collect tax information.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #3: Section (3)–The Joint Committee on Administrative Rules suggested clarifying the tax information referenced in this section is income tax information related to applicants for licensure.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

11 CSR 45-20.030 Confidentiality of Records

(2) The commission shall, upon written request from any person, provide such person with the following information furnished by an applicant, licensee, or key person:

(B) The identity of the applicant, licensee, or key person including, if the applicant, licensee, or key person is not an individual, the state of incorporation or registration, and the corporate officers;

(3) The Department of Revenue may furnish and the commission may receive income tax information pursuant to section 610.032, RSMo, to determine if applicants or licensees are complying with the tax laws of this state; however, any income tax information acquired by the commission related to applicants shall not become public record and shall be used exclusively for commission business.

TITLE 11 – DEPARTMENT OF PUBLIC SAFETY Division 45 – Missouri Gaming Commission Chapter 20 – Sports Wagering

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission under section 39(g) of Article III, *Missouri Constitution*, the commission adopts a rule as follows:

11 CSR 45-20.040 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on March 17, 2025 (50 MoReg 424–427). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended April 16, 2025, and the commission held a public hearing on the proposed rule on April 17, 2025. There were four (4) attendees at the public hearing, but no comments were made. The commission received one (1) written comment on the proposed rule. Commission staff made nine (9) comments on the proposed rule. The Joint Committee on Administrative Rules made one (1) comment on the proposed rule.

COMMENT #1: Subsections (1)(A)-(G) – A staff member and the Joint Committee on Administrative Rules noted that since changes are being made to the text of the Retail and Mobile License Application, SW Supplier and Official League Data Provider License Application, Occupational Level I-SW License Application, Occupational Level I-SWC License Application, Occupational Level II-SW License Application, Occupational Level II-SWC License Application, and SW Personal Disclosure Form, the date of incorporation by reference needs to be revised to reflect the date the commission adopted the revised material.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised the date of adoption accordingly.

COMMENT #2: Section (7) – Staff suggested to add “that require a license” to clarify which types of duties cannot be performed until the appropriate license has been obtained.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #3: Section (9)–Cory Fox, with FanDuel, recommended that the commission clarify that interviews, if requested, will only be required for Occupational Level I SW or SWC applicants and not for Occupational Level II SW or SWC applicants.

RESPONSE: The commission routinely interviews both Occupational Level I and Level II applicants for casino occupational licensees and will do the same for SW occupational licensees as part of the licensing process. No changes have been made to the rule as a result of this comment.

COMMENT #4: Section (9) – Staff suggested to add “relevant to the application” at the end of the section to qualify the type of information which may be requested.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #5: Section (13) – Staff suggested to add “during the application period” to the first sentence to clarify that this only applies during the application period.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #6: Section (14) – Staff suggested to add a minimum time frame of five (5) days for the licensee to respond to the notice.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #7: Sections (16), (17), and (18)–Staff suggested to replace “executive director” with “commission” as the constitution gives this authority to the commission. Additionally, staff suggested removing the last sentence, which states, “Should the executive director revoke a temporary license and seek denial of licensure by the commission, this action shall be reported to the commission and the applicant,” as this would no longer apply given the prior change. Staff also suggested to add “for a violation” to the end of the second sentence to clarify that the revocation would be due to a violation.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and replaced “executive director” with “commission.” Added “for a violation” to the end of the second sentence. Removed the last sentence.

COMMENT #8: Private Cost – Staff determined that the original number of entities that was estimated to hold a Mobile license was overstated.

RESPONSE AND EXPLANATION OF CHANGE: “13 casinos” was changed to “6 Class A licensees”; therefore, the total number of estimated Mobile licensees was reduced from twenty-one (21) to fourteen (14). This change is reflected in the private fiscal note and cost statement.

(9) In addition to submitting an application, each applicant for an SW Occupational license is required to be photographed or provide a photograph, be interviewed if requested, and provide any documentation requested by the commission relevant to the application.

(13) The applicant shall be responsible for keeping the application current at all times during the application period. The applicant shall notify the commission in writing within ten (10) calendar days of any material changes to any response in the application and this responsibility shall continue throughout any period during which an application is being considered by the commission. All updates to applications shall be submitted by exhibit so that each affected exhibit is resubmitted with the updated information and with the date of resubmission. If any application update is not made in this manner, the commission may deem the update not to be effective.

(14) The commission may serve any applicant and his or her employer with written notice by personal delivery, electronic mail, or regular mail, requiring the applicant to complete all or any specific portion of the application process or provide additional information, on or before the date set forth in the notice, which shall not be less than five (5) business days from the date of the notice. If the applicant fails to comply with the notice, the commission may consider the application withdrawn and the application process closed.

(16) A temporary Retail or Mobile license may be issued to an applicant pending a determination on the application for licensure. The commission may revoke a temporary license at any time for a violation. If an applicant's temporary license is revoked, the applicant shall immediately cease any sports wagering operations in the state of Missouri.

(17) The commission may issue to the applicant for an SW Supplier license or Official League Data Provider license a temporary license during the time the application is pending

with the commission. The commission may revoke a temporary license at any time for a violation. If an applicant's temporary license is revoked, the applicant shall not provide any Retail or Mobile licensee any equipment, supplies, or services that would otherwise require a license. The commission shall also notify all Retail or Mobile licensees of the revocation of the applicant's temporary license.

(18) The commission may issue to the applicant for an SW Occupational license a temporary license, allowing the individual to perform his or her duties during the time the application is pending with the commission. The commission may revoke or suspend a temporary license at any time for a violation. If the temporary license is revoked or suspended, the individual shall immediately cease performing any duties for the licensed entity that would otherwise require an SW Occupational license. Should the commission revoke or suspend a temporary license and seek denial of licensure, this action shall be reported to the licensee who employed the applicant and the applicant.

REVISED PRIVATE COST: The cost to private entities is an estimated three hundred nineteen thousand dollars (\$319,000) versus the estimated three hundred eighty-two thousand dollars (\$382,000), which was submitted in the original estimate.

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission under section 39(g) of Article III, *Missouri Constitution*, the commission adopts a rule as follows:

11 CSR 45-20.050 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on March 17, 2025 (50 MoReg 428). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended April 16, 2025, and the commission held a public hearing on the proposed rule on April 17, 2025. There were four (4) attendees at the public hearing, but no comments were made. The commission received two (2) written comments on the proposed rule. Commission staff made one (1) comment on the proposed rule.

COMMENT #1: Cory Fox, with FanDuel, recommended adding a new section (7) which states, “After the applicable investigation and receipt of payment for the applicant license fee, the commission shall concurrently issue the available direct Mobile license(s) to such applicant(s).”

RESPONSE: The recommended language only addresses the initial issuance of the two (2) direct Mobile licenses and does not give consideration for future instances where only one (1) license may need to be issued. The commission will notify the selected two (2) top qualified candidates concurrently without requiring an additional rule. Additionally, the direct mobile applicants that are selected will not receive their license before other applicants for Retail and Mobile licenses. No changes have been made to the rule as a result of this comment.

COMMENT #2: Section (2) – Staff suggested to revise to state, “After December 1, 2025, the application period shall not be less than sixty (60) days.”

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #3: Subsection (4)(E) – Craig Williams, a member of the general public, suggested that the commission reconsider the use of the word “maximize” in this standard. He noted that it appears to be a conflict of interest in a state prioritizing maximizing licensees’ revenue at the cost of patrons. He stated that ideally a commission should sit squarely between the patron and licensee as a neutral facilitator and guardian of fair play. He stated if patrons in Missouri outperform those in other jurisdictions at the cost of lower tax revenue, that may even be a welcome surprise. He went on to say if maximizing tax revenue has been the previous paradigm, the MGC has the opportunity to become the first to flip the paradigm toward protection and fair play for the patron.

RESPONSE: The term “maximize” is copied verbatim from Article III, Section 39(g), of the *Missouri Constitution*. The constitution requires the commission to consider an applicant’s ability to maximize state revenues when selecting the two (2) direct mobile licensees. No changes have been made to the rule as a result of this comment.

11 CSR 45-20.050 Direct Mobile License Competitive

Application Process

(2) When a direct Mobile license is available, the commission will post a notice on the commission’s website that the commission is accepting applications for a direct Mobile license and include the application period for such license. After December 1, 2025, the application period shall be not less than sixty (60) days.

By the authority vested in the Missouri Gaming Commission under section 39(g) of Article III, *Missouri Constitution*, the commission adopts a rule as follows:

11 CSR 45-20.060 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on March 17, 2025 (50 MoReg 428–429). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended April 16, 2025, and the commission held a public hearing on the proposed rule on April 17, 2025. There were four (4) attendees at the public hearing, but no comments were made. The commission received no written comments on the proposed rule. Commission staff made three (3) comments on the proposed rule. The Joint Committee on Administrative Rules made one (1) comment on the proposed rule.

COMMENT #1: Paragraph (3)(A)1. – The Joint Committee on Administrative Rules suggested the removal of this language as it is too subjective.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and removed in its entirety. With this revision paragraph (3)(A)2. was revised to be included with subsection (3)(A).

COMMENT #2: Subsection (4)(H) – Staff suggested to revise to replace, “Who is an illegal alien” with “Who is not lawfully in the United States” for clarity.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #3: Subsection (4)(K) – Staff suggested to revise to replace, “an extensive police record” with “a law enforcement record involving crimes of moral turpitude” for clarity and to remove subjective language.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #4: Subsection (4)(R) – Staff suggested to remove this subsection, which states, “Who pleaded guilty to or was convicted of any offense that would prohibit any licensee from employing the applicant pursuant to the terms of Chapter 313, RSMo,” as it is duplicative of subsection (4)(A).

RESPONSE AND EXPLANATION OF CHANGE: Agreed and removed subsection (4)(R) from this rule.

Commission staff made five (5) comments on the proposed rule. The Joint Committee on Administrative Rules made one (1) comment on the proposed rule.

COMMENT #1: Subsections (1)(A)-(E) – A staff member and The Joint Committee on Administrative Rules noted that since changes are being made to the text of the Retail and Mobile License Application, SW Supplier and Official League Data Provider License Application, Occupational Level I-SW License Application, Occupational Level-I SWC License Application, and SW Personal Disclosure Form, the date of incorporation by reference needs to be revised to reflect the date the commission adopted the revised material.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised the date of adoption accordingly.

COMMENT #2: Sections (5) and (6) – Staff suggested to add “updating all required information for the prior two (2) years” to the end of the sentence for clarity.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #3: Subsection (8)(A) – Staff suggested to revise the current language for clarity to state “Each licensee shall indicate, on a report provided by the commission, each SW Occupational licensee to be renewed.”

RESPONSE AND EXPLANATION OF CHANGE: Agreed and removed this section.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised. With the removal of section (11), section (12) was renumbered to (11).

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission under section 39(g) of Article III, *Missouri Constitution*, the commission adopts a rule as follows:

11 CSR 45-20.090 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on March 17, 2025 (50 MoReg 431–434). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended April 16, 2025, and the commission held a public hearing on the proposed rule on April 17, 2025. There were four (4) attendees at the public hearing, but no comments were made. The commission received two (2) written comments on the proposed rule. Commission staff made two (2) comments on the proposed rule.

COMMENT #1: Craig Williams, a member of the general public, suggested that the commission should consider offering a lower fee, such as fifty thousand dollars (\$50,000), for operating sports wagering for less established applicants with parameters such as having to pay the full fee if they reach an annual gross gaming revenue threshold.

RESPONSE: The commission believes that a standard license fee is appropriate based on the fact that it affords each licensee the same opportunity to offer sports wagering in the state regardless of the size of the entity. In addition, the sports teams and the excursion gambling boats will determine who they partner with if they do not obtain the licenses themselves. Therefore, the license fee would not be a determining factor in who gets a license. The direct mobile licenses must be awarded based on criteria outlined in the *Missouri Constitution*. No changes have been made to the rule as a result of this comment.

COMMENT #2: David Jackson, with Sportradar Solutions, LLC, recommended the commission adopt a flat, fixed annual fee for Official League Data Provider licensees consistent with other supplier categories to ensure parity, fairness, and economic competitiveness.

RESPONSE: Article III, Section 39(g), of the *Missouri Constitution* provides for a sports governing body or its designee to be the official league data provider. Any entity that provides sports wagering data is required to obtain a supplier's license; however, if the sports governing body requests to be the single source of data, then the sports governing body or its designee should have to pay a higher fee. The fee structure the commission used for Official League Data Provider license was modeled off the one used in the Illinois Sports Wagering Act. The commission did, however, reduce the license fee amounts which are required in Illinois for each level of data sales. No changes have been made to the rule as a result of this comment.

COMMENT #3: Section (12) – Staff suggested to replace “executive director” with “commission.” Additionally, add “for good cause” for clarity.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #4: Private Cost – Staff determined that the original number of entities that was estimated to hold a Mobile license was overstated. Additionally, staff received information that Mobile licensees will have more Occupational Level II-SW licensees than previously anticipated.

RESPONSE AND EXPLANATION OF CHANGE: “13 casinos” was changed to “6 Class A licensees”; therefore, the total number of estimated Mobile licensees was reduced from twenty-one (21) to fourteen (14). The number of Level II licensees for each Mobile licensee was increased from fifteen (15) to one hundred fifty (150). This change is reflected in the revised fiscal note and cost statement.

11 CSR 45-20.090 License Fees, Application Fees, and License Renewal Fees

(12) The commission may waive or modify licensing fees for good cause, except for Retail or Mobile licenses.

REVISED PRIVATE COST: The cost to private entities is an estimated \$1,536,900 versus the estimated \$1,334,775, which was submitted in the original estimate.

ORDER OF RULEMAKING

By the authority vested in the Missouri Gaming Commission under section 39(g) of Article III, *Missouri Constitution*, the commission adopts a rule as follows:

11 CSR 45-20.100 is adopted.

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on March 17, 2025 (50 MoReg 435–436). Those sections with changes are reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The public comment period ended April 16, 2025, and the commission held a public hearing on the proposed rule on April 17, 2025. There were four (4) attendees at the public hearing, but no comments were made. The commission received two (2) written comments on the proposed rule. Commission staff made four (4) comments on the proposed rule. The Joint Committee on Administrative Rules made one (1) comment on the proposed rule.

COMMENT #1: Craig Williams, a member of the general public, suggested this proposed rule could greatly benefit from a section that specifically addresses duties to patrons such as but not limited to –

– Serving the same product, other than account-level promotions, to all patrons, including the same odds, markets, and user interface;

– Allowing patrons of all experience levels access to play with a good faith minimum win size offered to all patrons of no less than one hundred dollars (\$100) for any individual wager (optional for the player to wager this much, of course);

– Displaying for the patron the maximum wager (such as one hundred dollars (\$100), if not higher) in a newly initiated bet slip prior to entry of the wager amount. It is fair play for the patron to have this information;

– Clearly outlining in the terms of service a definitive list of behaviors that will result in negative account actions such as limiting of wager amounts, account suspension, or account closure; and

– Clearly communicating at the point of such action to the patron via the patron’s email the item(s) on the list the patron is found to have done and which wager(s) were identified that initiated the account action, if any.

RESPONSE: The commission believes these are additional rules that represent substantive changes that stakeholders would not have the opportunity to provide feedback before becoming effective. The commission may consider including this language during a subsequent rule review, which will allow a public comment period on these changes. No changes have been made to the rule as a result of this comment.

COMMENT #2: Subsection (2)(A) – Staff suggested to add “as applicable” to make it clear that the first part of the standard only applies to Retail licensees and the second part only applies to Mobile licensees.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

COMMENT #3: Subsection (2)(C) – Staff suggested removing this subsection, which states, “Maintain an approved method

of payout for valid vouchers and redeem for currency each valid voucher,” as it is addressed in 11 CSR 45-20.480.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and removed the subsection. Revised remaining subsections (D)-(N) to (C)-(M).

COMMENT #4: Subsections (2)(I) and (K) – With the prior change in removing subsection (C), these comments now reference subsections (2)(I) and (J). Cory Fox, with FanDuel, recommended replacing “promptly notify” with “make commercially reasonable efforts to promptly notify” to avoid providing incomplete information to the commission. Additionally, he suggested adding “other than routine matters before gaming regulatory authorities” following “regulatory proceedings” to paragraph 1. of subsection (K), which is now subsection (J).

RESPONSE: The commission recognizes that an investigation will not be complete when the requirement is to promptly notify the commission. The commission believes adding the language “other than routine matters” creates a subjective standard in regard to what needs to be reported which is less clear. No changes have been made to the rule as a result of this comment.

COMMENT #5: Subsection (3)(B) – The Joint Committee on Administrative Rules requested this language be removed as the required approvals and certifications are unclear.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and removed the subsection in its entirety and revised (C) and (D) to (B) and (C).

COMMENT #6: Sections (9), (13), and (14) – Staff suggested to remove “the commission’s published minimum internal control standards,” as no minimum internal control standards have been published.

RESPONSE AND EXPLANATION OF CHANGE: Agreed and removed the language.

COMMENT #7: Section (17) – Staff suggested to replace “prosecutorial agency” with “law enforcement agency.”

RESPONSE AND EXPLANATION OF CHANGE: Agreed and revised.

11 CSR 45-20.100 Duties of Licensees and Applicants

1. Criminal, disciplinary, or regulatory proceedings commenced against the licensee or affiliated person in connection with its gaming or sports wagering operations in any jurisdiction; and

RESPONSE: The commission is not adding (C) as it would burden licensees with additional reporting requirements. The commission is not adding (D) as it could delay commission notification. No changes have been made to the rule as a result of this comment.
